Nature of Complaint:

Docket No. WS-03478A-12-0307

We are winter visitors to Yuma and own a home here. The rate increase Far West is seeking would cut drastically into our fixed income. Why do they want to take such a large jump? Many people could absorb a small increase; but not such a sharp rise. Are they going to improve the service or move the treatment plant? What will the sharp rise do for their customers?
